Compensation:

\$22 - \$26/hour

On-site, part-time

We are seeking a professional Landscaper Crew Leader for our Fine Gardening Team with maintenance and landscaping experience. We are devoted to providing our clients with a safe, beautiful place to live and enjoy themselves. We will rely on you to keep the home and grounds in peak condition. A well-organized and detail-oriented person will be valued greatly in this position.

Responsibilities

You will have :

Team management experience

Organization of task completion

- Assisting in inventory, organizing tool sheds and garages.
- Proactive planning and scheduling of work duties either on your own or with a team and management.
- Follow a to-do list and procedures as well as be proactive to create lists for property care and improvement.
- Maintain landscape and garden areas as needed by planting, trimming, fertilizing, or other activities.
- Ability to troubleshoot pipes and/or potential irrigation leaks/problems.

Qualifications

Skills we are looking for:

- Excellent verbal and written communication skills
- Pruning Shrubs and Small trees
- Weed/Plant identification
- Time Management

Associates Degree (preferred)

- 5+ years of related professional experience working in a high-level private home or in a similar role or capacity.
- Valid Driver's License required and legally eligible to work in the United States.
