Krystall Mirdad
krystall@pinelanenursery.com

Job Responsibilities:

- Plant care (watering, pruning, pest/disease management)
 - Assist in receiving plant material & restocking as needed.
 - Assist with moving/organizing/restocking plant material and ensuring accurate signage.
 - Keep greenhouses clean and organized (gaps in merchandise filled, floors swept, weeds removed).
 - Communicate effectively within department and with the rest of the nursery.
 - Assist department manager with grow production, running crew and delegating tasks, coordinating with our off-site grow location, and more.
 - Help out in seed grow house as needed (watering, potting up, etc.)
 - Pulling orders for wholesale
- Physical Requirements:**
- Ability to be on feet for extended periods of time, including climbing ladders.
 - Ability to perform light labor.
 - Ability to lift and carry 50lbs, including lifting heavy items overhead.
 - Ability to be out in the sun for long periods of time

Job Requirements:

- Must be at least 18 years old.
- Horticulture experience is required.
- Nursery or production experience preferred.
- Knowledge of perennial plants in Colorado is highly preferred.
- Must be detail orientated and display time management skills toward tasks.
- Strong communication and working effectively with a team are a must.
- Must be willing to work at least one weekend day.

Pay:

\$20-24 / hour

Benefits of working with Pine Lane:

- Generous employee discounts
- Set schedules, with flexibility
- Fun atmosphere
- Opportunities for professional growth and development

- A beautiful work environment!

About us:

Pine Lane Nursery is family owned & operated. We are a retail/wholesale garden center located in the heart of Parker, Colorado. Pine Lane spans over 9 acres, filled with a wide variety of plant materials including fast growing trees, shrubs, grasses, perennials, annuals, vegetables, herbs and more! The nursery is famous for growing unique and colorful annual hanging baskets every spring- ready just in time for Mother's Day.

Plants are sourced locally or grown on site whenever possible. All plant material is selected based on hardiness and proven success in Colorado.

In addition to plant materials, the nursery also offers delivery and planting services throughout Douglas County and the surrounding areas.

Pine Lane Nursery also offers a wide variety of outdoor and garden décor including furniture, pottery, fountains & more.

At Pine Lane Nursery we place an emphasis on personal, knowledgeable service. Our staff is experienced in gardening and growing specific to the arid Colorado climate. Pine Lane staff includes horticulturists, Colorado Certified Nursery Growers and Certified Greenhouse Growers. Staff are available to assist both retail and wholesale customers with plant selection, container gardening, plant care and landscape design. Pine Lane's expertise, customer service and years of experience provides for an exceptional garden center experience.
